SUPPLEMENTARY INFORMATION:

PURPOSE: The Secretary of Health and Human Services, the Assistant Secretary for Health, and by delegation the Director, Centers for Disease Control and Prevention, are authorized under Sections 301 and 308 of the Public Health Service Act to conduct directly, or by grants or contracts, research, experiments, and demonstrations relating to occupational safety and health and to mine health.

The Board of Scientific Counselors, National Institute for Occupational Safety and Health provides advice to the Director, National Institute for Occupational Safety and Health, on NIOSH research and prevention programs. The Board also provides guidance on the Institute's research activities related to

developing and evaluating hypotheses, systematically documenting findings, and disseminating results. In addition, the Board evaluates the degree to which the activities of NIOSH: (1) conform to those standards of scientific excellence appropriate for federal scientific institutions in accomplishing objectives in occupational safety and health; (2) address currently relevant needs in the fields of occupational safety and health either alone or in conjunction with other known activities inside and outside of NIOSH; and (3) produce their intended results in addressing important research questions in occupational safety and health, both in terms of applicability of the research findings and dissemination of the findings.

MATTERS TO BE CONSIDERED: The agenda for the meeting addresses health communications, updates from the National Firefighter Registry Subcommittee, progress on the NIOSH Evaluation Capacity Building Plan, and implementation science. Agenda items are subject to change as priorities dictate.

The agenda is posted on the NIOSH website at <https://www.cdc.gov/niosh/bsc/>.
